

JEFFERSON PORCH FEST

Sponsored by the Jefferson Historic Preservation Commission

What

Porch Fest is a free community music festival at which our historic places will serve as the venues. We'll celebrate Historic Preservation Month by spending the day with our neighbors and friends, enjoying live music at locations throughout our historic districts. We will host up to 32 different bands/musicians/performers who will each play a 45-minute set at one of the eight locations.

When

Sunday, May 23, 2021 from 2:00 pm to 6:00 pm.

Where

Our first Porch Fest will take place at eight historic locations in Jefferson, Georgia. This is a rain or shine event and will go on no matter if the host location is indoors or outside. *Masks and social distancing will be encouraged.*

All musicians are welcome! Solo or ensemble. The more genres the better. Please note that you must be able to perform acoustically or at a reasonable volume that is suited to your host location.
